CONGRATULATIONS!

The following list of officiants is provided as a service to applicants for a marriage license. This list is not exclusive, nor should it be perceived as a recommendation or approval by the Court. Applicants are encouraged to review the website of the Ohio Secretary of State which has a searchable database of ministers licensed in the State of Ohio to perform marriage ceremonies. That database is found at https://recordssearch.ohiosos.gov.

Please be aware that not all officiants may be willing to perform ceremonies for marriages that conflict with their strongly held personal or religious beliefs. Please check with your chosen officiant to assure they are willing to perform your ceremony.
